

# METALHEAD™

Refillable Paint Marker

## For Tough Marking Jobs

► **UNIQUE METALHEAD™**

Spring-loaded ball valve glides smoothly over tough, greasy and dirty surfaces, and produces thick, bold marks.

► **SUPERIOR CONTROL**

Squeezable plastic bottle marks from any position and keeps its shape (unlike those old-style toothpaste markers).

► **2 oz. (60 ml.) REFILLABLE BOTTLE**

Eliminates waste, reduces cost and improves efficiency.

► **STUBBORNLY PERMANENT**

Paint is lightfast, water and weather resistant, and withstands many industrial chemicals.

| Marker |                  | Pint Refill |
|--------|------------------|-------------|
| 10601  | ● Black          | 10601R      |
| 10602  | ● Blue           | 10602R      |
| 10603  | ● Green          | 10603R      |
| 10604  | ● Red            | 10604R      |
| 10605  | ○ White          | 10605R      |
| 10606  | ● Yellow         | 10606R      |
| 10607  | ● Orange         | 10607R      |
|        | Cleaner          | 10600R      |
| 30750  | Replacement Head |             |
