

# 130 P SELECT

*Industrial Paint Marker - with Reversible Tip!*

- **CONVENIENT REVERSIBLE NIB**  
Bullet on one end, chisel on the other: you select the mark width you prefer.
- **30% MORE INDUSTRIAL PAINT**  
More oil based paint than standard markers; perfect for repetitive marking.
- **CAP IS EASY TO REMOVE**  
Even when wearing gloves. Clip adds convenience and prevents marker from rolling off surfaces.
